

THERMOMETER YESTERDAY: Min., 73; Max., 78.

TO-DAY we look for the weather to be fair and warmer.

ONE OF THE GRANDEST

Mid-Summer Sales of New Merchandise
EVER INAUGURATED IN THIS CITY BEGINS HERE TO-DAY.

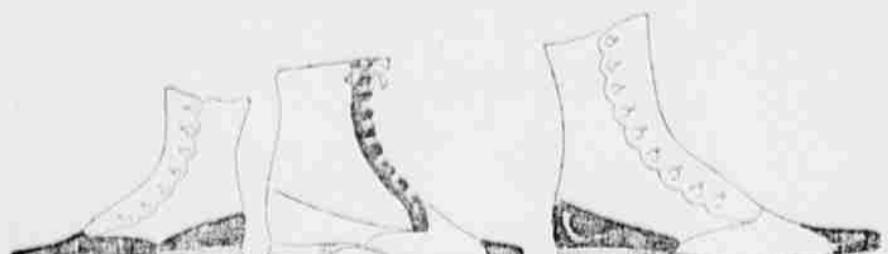

Sample Shoe Sale.

Infants', Children's and Misses' Shoes—Oxford Ties and Strap Slippers, bought at about \$1.00 on the dollar, go to-day as we bought them. We caught a maker with about 1,000 pairs of Sample Shoes on his hands and bought them at 10¢ on the dollar. We knew you would want them if you could get them at Half Price.

These Shoes just came in Monday. They are fresh and new, the correct shapes, every one. Sorry can't get all the sizes, but the manufacturers only make certain sizes for samples, but we've taken from the regular stock certain sizes and sifted them among the sample ones, so that now this assortment is better than the majority of samples we offer you. Frequently the samples are marked the wrong sizes, so although your child's size may not be down here, yet she may get just what she wants. It's worth trying for.

Last Sample Shoe Sale we had forty-two people busy all the time—to-day we'll have just as many, if necessary; you'll not have to wait. Bring the child to-day, Thursday.
